

EOSC 2024 Summer Blast

IPSC Level III

JULY 9 – 14, 2024

CLARENCE-ROCKLAND, ONTARIO

WELCOME

Welcome to the 2024 EOSC Summer Blast hosted by the Eastern Ontario Shooting Club (EOSC). This match is being brought to you after Steve Russell (Co-Match Director) agreed to incredible persuasion from Matthew Huntley over a two-day road trip to Florida matches! You can thank both for starting the ball rolling back in February and working hard ever since to bring you this sanctioned IPSC L3 match!

We would like to thank our team of volunteers and NROI officials, who have taken time from their busy schedules to help support the match and provide you with a safe and fun environment to compete in. Please be sure to thank them!

We have an amazing group of sponsors. DoubleTap Sports and IPSC Ontario are our biggest sponsors. Their generosity plus sponsorship from: A-Hits, Huntley Plumbing, Tesro, Notch and Post Custom Inc., Rudy Project Shooting Team and Mr. Dino Evangelinos bring you this IPSC Level III match. Please thank them all and do visit their websites, whenever you can.

Thanks to Kevin Bracken, who agreed to take on the immense task of Range Master AND provide us with use of his golfcarts! His guidance and suggestions will help us provide you with safe and challenging stages for your enjoyment.

In addition, much gratitude goes to Gerry Davis and Alex Turpin, who have both been integral in the planning and execution of the match as our Quarter Master and Head of Stats, respectively.

We could not have put on this match without the amazing support from local club reps and members: Stittsville (Jason Harrington, Matthew Huntley), CTO Gatineau (Alex Turpin), EOSC Exec (Dave Bartlett) EOSC IDPA (Mike Reimann) and RA Gun Club (Bob Gowie, Remi Doucet, Yao Li). Remi and Yao also designed stages with Steve and I. And the EOSC team of Matthew Huntley, Norbert Cyr, Thomas Koch, Tim Lacroix and Bill Martyn have been working hard behind the scenes for months prior to the start of the match. Thanks so much guys!

IPSC ON President, Matthew Elliott has provided great support and advice - and helped produce the World Sanctioning package for approval. The IPSC Ontario Board of Directors have also been very supportive. Several are officiating at this match too (Dave, Michael & Tom) - many thanks to you all!

Thanks for participating in the 2024 EOSC Summer Blast, an IPSC Level III match. Be safe and have fun!

2024 EOSC SUMMER BLAST MATCH BRIEFING

THESE POLICIES ARE JUST AS IMPORTANT AS THE RULES. YOU ARE EXPECTED TO READ AND UNDERSTAND ALL THE CONTENTS OF THIS MATCH PUBLICATION.

SAFETY AREAS: Each range is equipped with a safety area to case and holster guns, for dry fire practice and gun repair, etc. **No ammunition may be handled in any safety area.**

PARKING AREA: Competitor parking areas will be designated by signs.

RULES: The match rules are found in the current edition of the IPSC Handgun Competition Rules – January 2024 Edition.

MATCH SCORING: Practiscore

OBEY YOUR RO'S: Range officers are here to assist you in completing a safe shooting contest. Please comply with their requests. Please bring any issues to the attention of the Range Master.

SET STEEL AND TAPE TARGETS: Competitors are expected to patch targets and reset steel.

LOST BRASS: All brass is donated to the staff.

ALCOHOL: Alcohol and recreational drugs may not be consumed anywhere on the range. Competitors violating this policy will be disqualified and asked to leave the range.

DRESSCODE: Practical shooting is a sport. The match director will be the final arbiter of dubious taste.

SCHEDULING: All competitors will compete on their assigned dates/times.

INSPECTION: When the entire squad is assembled, the written stage briefing will be read. This will be followed by an inspection and question period. Shooters may negotiate obstacles only during this inspection period or while the previous shooter's targets are being scored.

Early inspection may be permitted by the squad next scheduled to shoot a stage but **ONLY** upon approval by the CRO, who ensures the previous squad is finished and you must report to the range officer prior to inspection and if time permits.

RANGE OPENING: The range is closed to all competitors prior to the scheduled start time of the workers squad on July 9 at 8:30am. The range will close each day at 5:30pm or 30 minutes after last shots fired, whichever is later.

HAZARD AREAS: Orange cones and/or safety flagging may be used to restrict certain areas of the range or to denote an area where parking is not permitted.

EYE AND HEARING PROTECTION: All spectators must wear eye and hearing protection while on a bay and while the match is underway anywhere on the facility. All competitors must wear eye and hearing protection during the course of fire. If you do not have adequate eye protection, you may be asked to leave the facility.

CHRONOGRAPH: Competitors will report to the chronograph at the scheduled time for their squads as directed. If you fail to report to the chronograph for the scheduled test or after a random sampling, your scores will be removed from the match (as per latest edition of IPSC Rule book). At the chronograph station, do not handle your gun until instructed by the CRO.

PHOTOGRAPHY/VIDEO: Videos and still pictures are permitted during the match, but **ask permission of the competitor(s) and we ask that you be mindful of what you post online.**

2024 EOSC SUMMER BLAST

VERIFICATION OF RESULTS

Stage scoring

After every stage is scored, competitors will receive a copy of their scores via email.

Anyone wishing a printed copy of their scores can request one at the Stats tent.

Interim results:

Results will be posted to PractiScore daily throughout the match, and at end of day.

In reviewing your scores and/or results, please pay attention to your Division and claimed Category (if any). We'd like to avoid any division and category changes after the match results are declared official.

Results published to PractiScore are provisional until the Match Director declares them final at end of match.

Final results:

Once the Match Director declares the final results, they will be posted both on the IPSC Ontario Calendar, as well as in PractiScore.

Regards,

Alex Turpin
Stats Officer
